Jim Marrs - Secrets, Conspiracies and Cover-Ups of the Digital Age

“Contrary to an old adage, what you don’t know CAN harm you. You want to know all about those conspiracies you hear about, but don’t want to spend your life digging through books or surfing the Internet? Here’s the book for you.”

San Francisco, CA (November 1, 2008) — *New York Times* best-selling author, Jim Marrs, has done it again, this time with a collection of the most controversial conspiracy theories and cover-ups of recent years. In his new book, ***Above Top Secret: Uncover the Mysteries of the Digital Age***, Marrs does all the legwork for his vast audience of faithful readers. Every government, finance, paranormal and terrorist cover-up we’ve been wondering about is explored and vetted in his usual superbly researched and highly entertaining style.

Here are just a few of the stories that Marrs reveals new, compelling evidence and insight to:

- Was 9/11 An Inside Job?
- Is Alternative Energy Being Kept from the Public?
- Is the Federal Reserve a Scam?
- Who Killed JFK?
- Who Built the Spidery Drones?
- What Flew Over Phoenix?
- What Will Happen in 2012?

Marrs served in Military Intelligence with the U.S. Army before becoming an independent journalist and author. He is considered the world's leading conspiracy author with multimillion bestsellers such as *Alien Agenda*, *Rule By Secrecy* and the book that Oliver Stone used as a basis for his *JFK* movie, *Crossfire: The Plot That Killed Kennedy*.

Other recent titles from Marrs include *Rule by Secrecy: The Hidden History That Connects the Trilateral Commission; The Terror Conspiracy: Deception, 9/11 and the Loss of Liberty*; and *The Rise of the Fourth Reich*.

Now, Marris has allied with the web's most popular conspiracy forum, AboveTopSecret.com, to investigate everything from chemtrails to the Nazis' Antarctic base, moon landing hoaxes to UFOs, God as an alien to the end of the world in 2012.

AboveTopSecret.com is the Internet's largest and most popular discussion board community with more than twelve million page views per month. It is dedicated to the intelligent exchange of ideas and debate on a wide range of "alternative topics" such as conspiracies, UFO's, paranormal, secret societies, political scandals, new world order, terrorism, and dozens of related topics.
