

# ENDGAME

## Interview Questions

1. *Endgame* is a pretty daring DVD. Tell us what it's about.
2. Why are the rulers of the world obsessed with controlling, dominating and enslaving humanity?
3. What is Eugenics?
4. You say that eugenicists founded the modern environmental movement, and it is a tool to re-establish feudalism worldwide. Can you explain this?
5. In *Endgame*, you go through dozens of declassified cases where governments worldwide have covertly tested lethal chemical, biological, and radiological weapons on their populations. Why are they doing this?
6. What are the Georgia Guidestones? And how would they affect us today?
7. In the film, you've got some chilling quotes made by powerful people endorsing radical population reduction. Why are they so open about their agenda, yet people are still so unaware of it?
8. University of Texas Biology professor, Doctor Eric Pianka, caused a furor last year when he said in a speech that the world would be better off from a 90% population reduction by an airborne Ebola virus. What do you say about Pianka in your film?
9. The Bilderberg group was founded by SS Officer Prince Bernhard of the Netherlands, husband to the Queen of the Netherlands. He also founded the World Wildlife Fund with fellow eugenicist Julian Huxley. How do these two groups tie together?

10. In the *Endgame* trailer (at [www.warwickassociates.net](http://www.warwickassociates.net)), you state that the global elite believe that in the near future, life extension technologies will allow them to live forever. What does that mean for the rest of us?
11. How are the controllers deploying their population reduction weapon systems?
12. You say that for the New World Order, world government is only a means to an end. How so?
13. What will the world look like in 20 years if the New World Order wins?
14. What are some solutions? Give the listeners some hope, what can we do about all of this if it's true?
