

MARIE D. JONES

Marie D. Jones is the author of *2013: End of Days or a New Beginning- Envisioning the World After the Events of 2012* released July 2008 by New Page Books. She also wrote *PSience - How New Discoveries in Quantum Physics and New Science May Explain the Existence of Paranormal Phenomena; Supervolcano: The Catastrophic Event That Changed the Course of Human History* written with her father, geophysicist Dr. John M. Savino, also for New Page Books; and *Looking For God In All The Wrong Places* for Paraview Press.

Jones' work includes over 50 inspirational books for PIL/New Seasons; articles, essays and stories in magazines; online ezines; and newspapers and anthologies, including five *Chicken Soup for the Soul* books. She is a regular book reviewer for CurledUp.com, BookIdeas.com and AbsoluteWrite.com. She formerly produced a line of videos for national distribution, including an award-winning children's storybook-style video.

Also a New Thought / Metaphysics minister, she has an extensive background in metaphysics, spiritual studies, and the paranormal. Jones spent 15 years as a field investigator for the Mutual UFO Network in Los Angeles and San Diego, and wrote for many paranormal magazines. Her interest in both science and the paranormal goes back to childhood as has her passion for writing and storytelling. She currently serves as consultant to ARPAST, the Arkansas Paranormal and Anomalous Studies Team.

She has appeared on hundreds of radio stations all over the world, and been interviewed for dozens of magazines, newspapers and websites.

Jones lives in San Marcos, California with her young son, Max.
