

ABOUT THE AUTHOR

Marie D. Jones

Marie D. Jones is the author of *PSIence: How New Discoveries in Quantum Physics and New Science May Explain the Existence of Paranormal Phenomena*. She is the co-author of *Supervolcano: The Catastrophic Event That Changed the Course of Human History*, with her father, geophysicist John M. Savino. She is also the author of *Looking For God In All the Wrong Places*, as well as hundreds of inspirational books, published articles, political essays, book and film reviews and fiction and her work has appeared in more than five *Chicken Soup for the Soul* books, among other popular anthologies. She also wrote and produced several reality and children's videos.

Marie served as president and media relations director of two UFO investigation groups in Los Angeles and San Diego during the 1980s and 1990s and has a long-standing interest and extensive background in the paranormal, metaphysics and science. She has appeared on hundreds of radio shows worldwide, including *Coast To Coast AM*, NPR, and *Dreamland*, as well as several national and regional talk radio shows, and she has been featured in dozens of print and online interviews for magazines, websites and newspapers. Marie has also been featured on several paranormal pod casts and blogtalk radio shows, and currently serves as a consultant to ARPAST – The Arkansas Paranormal and Anomalous Studies Team. She lives in San Marcos, California.
