

INTERVIEW QUESTIONS

Witness to Roswell: *Unmasking the Government's Biggest Cover-Up*

by Donald R. Schmitt and Thomas J. Carey

Questions about us and the Roswell case in general:

1. How did you become interested in the subject of UFOs?
2. How did you become focused on the Roswell case? What intrigued you most about the case?
3. Why is Roswell the “granddaddy” of all UFO cases?
4. How many Air Force explanations have there been for the “Roswell Incident?”
5. How and when did you decide to become an active investigator of the Roswell case?
6. When and why did you team-up with your co-author, Don Schmitt, to investigate the Roswell?
7. How did the archaeological dig at the Foster/Brazel ranch site, sponsored by the Sci Fi Channel come about? What was your role? What was found?
8. What about “other” alleged crash sites, for example, the **Barney Barnett** site on the Plains of San Agustin – the original “body site” in the “Roswell Incident” story?
9. How many “crash sites” do you believe were involved in the 1947 “Roswell Incident?”
10. There have been a number of dates ascribed for the Roswell crash. What date do you believe to be the correct crash date?
11. What is the “smoking gun” of the Roswell case? What is the “Holy Grail” of the Roswell case?
12. Why is the Roswell case still being covered-up? Do you think that our government will ever reveal the truth? How long will you continue to investigate this now 60 year-old case?

Questions about our 2007-2008 best-selling book, *Witness to Roswell: Unmasking the 60-Year Cover-Up*:

1. Your new book features many new witnesses who were in some involved in the “Roswell Incident”. Are any of them describing a weather balloon and wooden crash dummies?
2. How did the Air Force “kill” the story back in 1947?

3. What did the Air Force do to “**Mack**” **Brazel** – the rancher who found the wreckage – and *something else*?
4. What were the other Corona ranchers subjected to by the Air Force?
5. Your book describes many new military witnesses to the recovery operation. Please name and discuss a few of these, for instance: **Earl Fulford**, **Eli Benjamin**, “the **paperboys**”, **Roland Menaugh** [pronounced Men-nahh], **Ed Sain**, **Marion “Black Mac” Magruder**.
6. In your book, you present another “smoking gun” with documentation from Major **Patrick Saunders**. Without giving away too many secrets, what did he provide you?
7. Your book details a number of “deathbed confessions. What are these witnesses telling their loved ones just prior to their deaths?
8. Your book also reveals another new “smoking gun.” You disclose, for the very first time, the sealed statement of **Walter Haut**, the Roswell base PIO who put out the original press release about the RAAF “capturing” a flying saucer. Why did he come forward after so many years in this manner? What was the most revealing acknowledgement from Haut?

Questions for the New Book, *Witness to Roswell: Unmasking the Government’s Biggest Cover-Up* [2009]

1. Why did you write a revised, expanded and updated 2nd Edition of *Witness to Roswell*?
2. What features of your prior book were retained in the new book? Why?
3. What is new in the revised edition?
4. Who or what are the following?
 - the Air Force “hit man,” Hunter Penn sent to Roswell
 - Air Force pilot, Ben Games, who flew a prominent General to Roswell
 - *Life* photo-journalist, Allen Grant, who was flown to the crash site
 - the “midget” in the jailhouse who surprised a J.A.G. officer
 - Sgt. William Ennis who finally admitted the truth of Roswell
 - Roswell auto dealer, Arthur Farnsworth who was terrified by the Air Force
 - Boeing crash investigator, Richard Loveridge – “They can hurt you!”
 - What did Col. Blanchard and Gen. Ramey say in private about Roswell?
 - the “west gate” at the RAAF
 - Bessie Brazel Schreiber [Mack Brazel’s daughter] recants
 - Fawn Fritz – Mack Brazel’s granddaughter
 - Sgt. George Newling and the “Up An’ Atom”
 - “Child of the Earth”
 - “The Nurse” – has she been found?
 - New deathbed confession - Roswell’s chaplain found.
 - Nitinol – today’s “memory metal” derived from the Roswell crash?
