

INTERVIEW QUESTIONS FROM KATHLEEN MARDEN

Captured! The Betty and Barney Hill UFO Experience

1. Many of our younger listeners have never heard about your aunt and uncle's experience. Briefly tell us about them and what happened to them.
2. Was there any physical evidence to back up their story, and did you see it? Was it ever analyzed?
3. How did you hear about your aunt and uncle's UFO experience?
4. Did they report it to an official agency, and if so to whom?
5. You told us about their conscious memories of a close encounter with a UFO. But later they came out with an abduction story. How did that emerge?
6. You said that Barney was referred to Dr. Benjamin Simon. When did Betty and Barney see him and for how long?
7. What were Dr. Simon's credentials and was he a UFO believer?
8. What was his attitude towards the statements Betty and Barney's made during hypnotic regression? Did he think it was a real experience?
9. You said that you did a comparative analysis of the Hills' statements on the hypnosis tapes versus the information in a series of dreams Betty had a couple of weeks after the close encounter experience. Was there a smoking gun?
10. Tell us about the abduction experience.
11. Do you know why the non-human entities were interested in Betty and Barney?
12. Many people today report serial abductions that begin at a young age and continue throughout their lives. Is this what happened to the Hills?
13. When did the Hills come forward to publicly announce their abduction?
14. How were they treated after it was made public?
15. What tests did the ETs perform on the Hills?
16. Tell us about the star map that Betty drew and Marjorie Fish's identification of the pattern stars.
17. There were some paranormal aspects to this story, including at your childhood home. What happened and when did it start?
18. What about the psychophysics experiments?
19. Do you think that Betty was ever revisited?
20. When did Barney die and from what? Betty?

21. You stated that you lived with Betty after Barney's death. Were there any strange occurrences at her house after Barney's death?
22. Describe the ETs. Weren't they human in appearance?
23. How did they communicate with the Hills and with each other?
24. The Hill story has been surrounded by controversy, particularly because so many skeptics and debunkers have attacked it. What are some of the false statements that have been made about their experience?
25. Kathy, in chapter 14 of *Science Was Wrong* you criticize Carl Sagan's statements about your aunt and uncle's experience. Specifically, how did Carl Sagan misrepresent the case in COSMOS and elsewhere?
26. Did Stan or you ever attempt to correct Carl's incorrect assumptions?
27. What is different about *Captured!* that was not in 1966 book *The Interrupted Journey* by John Fuller?
28. Is there anything else you'd like to add?
29. How can we purchase *Captured! The Betty and Barney Hill UFO Experience* and *Science Was Wrong*?
30. Are they also available in bookstores?
