

NASA CONSPIRACIES

By Nick Redfern

Story Angles

1. **Headline: The Mystery of the Face on Mars**

Sub-Headline: The Work of Ancient Extraterrestrials

Paragraph: On the surface of the planet Mars, a huge structure stares eerily into outer-space. Incredibly, it appears to resemble an Egyptian Sphinx-like face. NASA says it is merely a natural mesa. For others, it is evidence that, millennia ago, Mars was home to a now-long-extinct race of beings that built the mighty face. Is NASA engaged in a cosmic conspiracy to conceal the truth, or is the huge face simply a trick of the light?

2. **Headline: NASA's UFO Secrets**

Sub-Headline: Hiding the Alien Evidence

Paragraph: Is NASA guilty of hiding evidence that UFOs have visited our world, and that NASA's own astronauts have seen UFOs? Does NASA have in its secret possession proof that UFOs have crashed to earth and, along with their alien crews, are secretly hidden at top secret NASA facilities? Has NASA censored its own photographs to hide the facts about alien visitations?

3. **Headline: Space Shuttle Sabotage**

Sub-Headline: Accident or Conspiracy?

Paragraph: In the wake of the tragic explosion of the Space Shuttle *Challenger* in January 1986, the FBI opened a secret file on the incident that was packed with reports, witness testimony, and documentation that addressed one, key issue: was the Shuttle sabotaged? The FBI has now declassified its files on the affair, and which tell an extraordinary and strange story of psychics, secret-agents, shadowy terrorist groups and more.
