Twilight of the Gods

Written by Erich von Däniken; edited by Giorgio A. Tsoukalos

- Tell us how *Twilight of the Gods* is different than the world wide best seller *Chariots of the Gods*.
- The book says, “We’re in for a shock of major proportions” - tell us about it!
- What can you tell us about the startling revelations regarding the ancient ruined city, Puma Punku?
- Mainstream archaeologists say Puma Punku was built by Stone Age people. Can you tell us how Erich von Däniken’s viewpoint differs from the mainstream perspective?
- How does this book relate to the 2012 phenomenon? Should people be worried?
- What do you feel is the single most important point of the book?
- Why do you think the Ancient Astronaut Theory is so popular at the moment?
- What is the A.A.S.R.A (Archaeology, Astronautics and SETI Research Association)?
- Tell us about *Legendary Times Magazine*.
- What can you tell us about *Ancient Aliens -- The Series*?
- Do you think that mainstream science will ever accept the Ancient Astronaut Theory?
- What is your next project?
