## *Stories of Divine Communications in New Book by DavidPaul Doyle*

---

**San Francisco, CA (March 1, 2010)** -- Do you question whether your inspiration, insight or sudden shift in experience may come from divine guidance? In fact, many people believe that God has communicated with them in tangible, observable and miraculous ways, transforming their lives.

The co-founder of The Voice for Love workshops and seminars, DavidPaul Doyle presents a collection of these incredible personal stories in his new book, *When God Spoke to Me: The Inspiring Stories of Ordinary People Who Have Received Divine Guidance and Wisdom*.

For thousands of years it was believed that only the holiest and the chosen could speak with God. Anyone else claiming to do so was dismissed as crazy, or worse, persecuted. Today, the veils of hierarchy, fear and worthiness are lifting as people from all walks of life and religious backgrounds are experiencing spiritual, life-changing interaction with God. *When God Spoke to Me* is the first book to openly share the real-life accounts of everyday people who have heard God's voice.

As revealed in *When God Spoke to Me*, the experience of hearing God's voice has:

- healed emotional and physical wounds, mended relationships,
- provided life-altering guidance and direction when needed most, and
- instilled peace, love, and awareness of a real union with God

Doyle is the co-author of *The Voice for Love: Accessing Your Inner Voice to Fulfill Your Life's Purpose*. His workshops books, seminars, CDs and tele-classes have helped tens of thousands of people around the world to hear God's voice and to discover their true natures. He is a frequent radio and TV guest.

*Doyle said, "As we move deeper into experiencing the truth of who we are, beyond what we can see with our eyes, hear with our ears, or believe with our mind, the pursuit of a direct and personal experience with our True Nature begins to grow."*

In this most stressful and uncertain of decades, *When God Spoke to Me* will give hope and comfort to those who do not realize that they are already hearing God's voice without knowing it.
