

Interview Questions

The Alien Abduction Files

Interview Questions for Denise Stoner

1. When you thought about the impact telling your story in “*The Alien Abduction Files*” might have on your life, what made you decide to “come out” and tell it now.
2. Are you aware of any unusual physical affects you might have experienced as a result of your abductions?
3. What experiences have you found to be new to the abduction scenario if any?
4. You mentioned that you host private meetings for abduction experiencers. Can you give us some insight into what occurs at the meetings and how they help others?
5. Do you believe there are still many others out there who for various reasons are hiding the fact that they are abductees? In your opinion, why would they continue to feel the need to hide their stories?
6. Would you describe the entities you met and share your thoughts about them? Did you feel they were friend or foe?
7. After telling your story and that of Jennie’s in “*The Alien Abduction Files*”, can you give us your thoughts on the possible agenda of these “visitors”?
8. Do you suspect you are still being taken? Tell us why.
9. When you and Kathleen Marden work with a possible abductee, what do you look for to indicate they have been abducted? Are there **signs or “Markers”** that indicate you should proceed with an investigation?
10. When you have been abducted, are you aware in advance that you are about to be taken again and when? Do you believe other abductees are forewarned?
11. Where can your book, “*The Alien Abduction Files*” be purchased?
12. Where will you be lecturing in the next few months?
13. Where can our listeners go to read more about your work and contact you? Email address: dmstoner1@gmail.com and Website: www.denisemstoner.com
