

ABOUT THE AUTHOR

Jim Harold

JIM HAROLD has worked in radio, video, and business-to-business media. He holds a Master's Degree in Communication and has taught at the university level.

In 2005, Jim's started podcasting on the paranormal. His lifelong interest in the supernatural, combined with his love of broadcasting and technology resulted in the most successful web-based programs of their type in the world. The Paranormal Podcast, Jim Harold's Campfire, and The Paranormal Report are regularly among the top podcasts in their categories on iTunes, often outranking programs from mainstream media publishers such as The New York Times, PBS and NPR.

Jim won't dress up in alien costumes and doesn't plan on buying that \$19.99 Super Official Ghost Detector off of late night TV but believes there is more to life than what meets the eye. Jim lives in Northeastern Ohio with his fantastic wife and two daughters.

He is incredibly thankful for them and his loyal audience. You can find his work at jimharold.com.

Jim Harold's Campfire: True Ghost Stories is his first book.
