

INTERVIEW QUESTIONS

The World's Most Haunted Places

By Jeff Belanger

- What is a ghost?
- What were the criteria for including a haunt?
- Considering how popular the subject of ghosts and haunted places has become recently, does it make your job easier to find and document the haunts?
- Given your years of exploring haunted places and ghost encounters, have you seen a shift in perspective in how the public perceives this phenomenon?
- How does one make a mark in ghost research today? Is it too late to get into this considering the thousands of groups out there?
- How can the paranormal community push the field forward in a time when its greatest achievements seem to be reality television shows?
- How does belief create reality?
- Why do we embrace haunted places?
- What's your favorite haunt?
- You've written about the ghosts of the White House before. Have there been any recent sightings with the Obama administration?
- Why is the subject so popular today?
