Carla Wills Brandon

Carla Wills-Brandon is a Licensed Marriage and Family Therapist in private practice. She has published 12 books, one of which was a "Publishers Weekly Best Seller." Her most recent book, "Beyond the Chase: Breaking Your Obsessions That Sabotage True Intimacy" is proving to be a great success. Carla has also lectured across the U.S. and U.K. She has appeared on numerous national radio and television programs; such as Geraldo Rivera, Sally Jesse Raphael, Montel Williams, and Politically Incorrect with Bill Maher. Along with this, she has been on several programs with her husband Licensed Clinical Psychologist Michael Brandon.

Known as a trauma expert, Carla has also been researching a phenomenon called the deathbed vision for over 25 years. Deathbed visions come in all shapes and sizes. Some people receive visitations from deceased relatives while others encounter angels, or religious figures. Many of the accounts contained in 2 of the 12 books Carla has published, "One Last Hug before I Go: The Mystery and Meaning of Death Bed Visions," and "A Glimpse of Heaven: The Remarkable World of Spiritually Transformative Experiences" discuss seeing a wisp of "something" leaving the body of a friend or relative at the moment of passing.
