

LOST CIVILIZATIONS

By Nick Redfern

CHAPTER SUMMARY

Nick Redfern's *From the Pyramids to the Pentagon* is a study of how and why government agencies have taken a deep and secret interest in such issues as Noah's Ark, the Spear of Destiny, the Ark of the Covenant, the construction of the Pyramids of Egypt, and accounts of so-called "Ancient Astronauts" and their links to the *Bible*.

INTERVIEW QUESTIONS

Lost Civilizations

By Nick Redfern

- What is your paper in *Lost Civilizations* - titled *From the Pyramids to the Pentagon* - about?
- You discuss the intriguing story of the CIA's search for the remains of Noah's Ark. Can you tell us about that?
- Did the CIA find the remains of the Ark?
- You show that the U.S. Government has taken a deep interest in the phenomenon of "ancient astronauts." What did you discover?
- George Van Tassel was a UFO Contactee who believed many biblical accounts were actually based on alien visitations. You reveal that the FBI watched Van Tassel closely and noted his findings on this issue in official files. What did the FBI learn?
- What is the story behind the government's spying on those researchers who suggested the Pyramids of Egypt may have been constructed via the secrets of levitation?
- You demonstrate that a classified military operation - known as Project Moon Dust - was involved in secretly obtaining historical Middle Eastern artifacts with alleged ties to UFOs and advanced ancient technologies. What's that about?
- It's not just the U.S. Government that has taken deep notice of the secrets and mysteries of the past. Can you tell us about Adolf Hitler's attempts to obtain priceless artifacts, such as the Spear of Destiny and the Ark of the Covenant?
- Are there people in officialdom who are hiding from us astonishing data on ancient, long-gone civilizations?
- What do you think is the reason for the U.S. Government's deep interest in, and concern about, the mysteries - archaeological and biblical - of times long gone?
