

New Evidence of a Hybrid Race Among Us Do Nephilim Walk in Our World?

Genesis 6:4: "And the Nephilim were on the earth in those days--and also afterward--when the Sons of God cohabited with the daughters of humans, and had children by them..."

San Francisco, CA (February 22, 2012) — The ancient stories in Genesis tell us that spirit beings known as "watchers" descended to the Earth, had sex with women, and begat a hybrid race of offspring known as the Nephilim. Many believe that the Nephilim continue to walk among us today.

A renowned, long-time talk show host and researcher in the field of unexplained phenomena, author Scott Alan Roberts lays out the latest research and documentation about Nephilim in his new book, *The Rise and Fall of the Nephilim: The Untold Story of Fallen Angels, Giants on the Earth, and Their Extraterrestrial Origins*.

The book adds new information and compelling evidence that adds greatly to existing histories and accounts of ET visitations and alien-human meetings that have for centuries shown up throughout mythology, legend and religions.

The Rise and Fall of the Nephilim examines:

- Elohim and the Bene Ha Elohim — God and the Sons of God
- The "Watchers": UFOs, extraterrestrials, angels, infiltrators, impregnators
- Demonic agendas: incubi, succubi, spirit beings
- Biblical and apocryphal sources from Enoch to Moses
- The role of the Fae, Elves, Elementals, and ancient gods

This spine-tingling expose is a powerful challenge to the naysayers who claim that the legends of the Nephilim are just that--legends. Roberts' new book undeniably connects today's world of ETs and UFOs with ancient texts, folklore and religious writings.
