

About the Author

Imre Vallyon

Born in Budapest, Hungary, Imre emigrated to New Zealand as a refugee at the age of sixteen. Since 1980 he has dedicated his life to teaching the Wisdom science through his extensive writings and through workshops and retreats conducted around the world.

Imre's extraordinary knowledge of human spirituality is derived not from scholarly research, but issues forth from his own Interior Realization. He spans the full spectrum of human experience: reaching through time, illuminating the great Spiritual Teachings and Sacred languages of our planetary history while pointing the way to the future. Imre's work is one of synthesis. His writing is universal, not biased towards any particular religion or tradition.

Imre Vallyon and Sounding-Light Publishing were awarded first place in the prestigious Ashton Wylie Charitable Trust Awards, and won a gold medal in the 2009 Living Now Awards, for four-volume spiritual treatise *Heavens and Hells of the mind*.
