***When God Spoke to Me* by DavidPaul Doyle**

Is it possible you were born with the ability to hear God's Voice in the midst of every difficulty you face—to receive His guidance, understanding, and direction in every area of your life? For thousands of years it was believed that only a handful of holy, divinely chosen men could receive direct communication from God. Anyone else claiming to do this was dismissed as crazy, a fake, or worse—persecuted as a heretic. Today, the veils of hierarchy, fear, and worthiness are lifting! Never in human history has a book been written that openly shares the true life-changing accounts of ordinary people who have heard God's Voice. ***When God Spoke to Me: The Inspiring Stories Of Ordinary People Who Have Received Divine Guidance and Wisdom*** shares seventy poignantly true stories written by men and women from around the world whose lives have changed in profound and unexpected ways as a result of hearing God's Voice.
