

HOW TO OPEN UP TO HEARING GOD'S VOICE

***When God Spoke to Me* by DavidPaul Doyle**

If we all have the natural ability to hear God's voice in our lives, why does it seem so difficult to do?

DavidPaul Doyle has spent the past 15 years studying the art of receiving divine communication. In his latest book, *When God Spoke to Me: The Inspiring Stories Of Ordinary People Who Have Received Divine Guidance and Wisdom*, DavidPaul shares seventy poignant stories written by men and women from around the world whose lives have changed in profound and unexpected ways as a result of hearing God's Voice. In the book's conclusion, DavidPaul identifies four key traits that he will share with your listeners that bind all of these stories together, traits that can help your audience to hear God's Voice more fully and consistently in their own lives.
