## Inside The Real Area 51

Interview Questions for Donald R. Schmitt

1. Why do you still continue investigating the Roswell Incident of 1947? Hasn't the Air Force offered a viable explanation for the event?
2. What is the connection between the incident at Roswell and Wright Patterson AFB?
3. What evidence have you acquired that support the information that wreckage and bodies were transported to Wright Patterson after the crash?
4. What was the reaction of officials at Wright Patterson?
5. Were there any test results of the wreckage from New Mexico?
6. What information do you have about non-human bodies at the military base?
7. How soon after the Roswell Incident was there an official assessment of the situation? By whom?
8. What was the official response of the Air Force to the arrival of the new phenomenon?
9. What was the first official conclusion as to the nature of the UFO phenomenon?
10. Why was the report ordered to be destroyed and never released?
11. What actions did the Air Force take to counter the first report?
12. Why was Wright Patterson the center of all UFO studies in the aftermath of the Roswell Incident?

13. What was the Pentagon's reaction to the investigations carried out by Wright Patterson?
14. Are there witnesses to recovered UFOs and their crews at Wright Patterson?
15. Are there witnesses to underground facilities at the base?
16. Have all the records of UFO studies from the base been released to the public?
17. Was Project Blue Book the last official UFO project or have there been others?
18. What evidence is there to support claims that bodies were autopsied at Wright Patterson?
19. Was there a survivor from Roswell kept at Wright Patterson?
20. Is there any evidence still remaining at the base?
