

INTERVIEW QUESTIONS

Lost Colonies of Ancient America

By Frank Joseph

1. Who were the first people to colonize America?
2. Was an ancient Hebrew inscription unearthed from an Indian burial mound in Tennessee by an archaeologist from the Smithsonian Institution?
3. What proof exists for ancient Romans in pre-Columbian Brazil?
4. Why did the Knights Templar supposedly sail to Maine?
5. Do Native Americans have any tribal record of overseas' voyagers to their lands before Columbus?
6. Aren't all those alleged rune stones in Oklahoma, Minnesota and other states transparent fakes?
7. If there is so much irrefutable evidence for pre-Columbian colonizers in America, why do virtually all professional archeologists insist Columbus alone discovered America?
8. Who were the Minoans, and how do we know they came to America?
9. What has a pre-Columbian archaeological site in Ohio to do with Egypt's Great Pyramid?
10. Wasn't America really discovered by West Africans?
