

INTERVIEW QUESTIONS

CLOSE ENCOUNTERS of the *Fatal Kind*

By Nick Redfern

1. Can you tell us about the suspicious deaths that surround the Roswell UFO crash of July 1947?
2. What is the truth behind the deaths of two military personnel involved in the recovery of alleged UFO debris at Maury Island, Washington State in 1947?
3. Were aliens responsible for the death of National Guard Captain Thomas Mantell in 1948?
4. Will you discuss the theories that the reported suicide of Secretary of Defense James Forrestal in 1949 was actually a case of murder presumably to prevent him revealing the truth about UFOs?
5. Please tell us about the spate of mysterious UFO-connected deaths involving pilots in 1953.
6. Was author/researcher Morris Jessup murdered in 1959 as a result of his UFO investigations?
7. What are the connections between the November 1963 assassination of President John F. Kennedy and the UFO controversy?
8. How and why did a British man named Edward Bryant die in 1967 after encountering a UFO and its crew?
9. Is it true that people have been mutilated and killed by aliens in similar fashion to the so-called cattle mutilations?
10. What really happened to missing Australian pilot Frederick Valentich in 1978?
11. How did murder and UFOs come together in an old English town in 1980?
12. Will you tell us about the fatal UFO confrontation that occurred in Texas in December 1980?
13. What is the link between UFOs and the deaths of dozens of scientists from the mid-1980s to the early-1990s?
14. Was UFO author Jim Keith murdered in 1999 for what he knew about UFOs?
