

MURDERS & MYSTERIOUS DISAPPEARANCES

Redfern Exposes Unexplained Deaths

Related to UFO Investigations

San Francisco, CA (June 15, 2014) — Another blockbuster from the notorious and beloved bestselling author, Nick Redfern, *Close Encounters of the Fatal Kind: Suspicious Deaths, Mysterious Murders, and Bizarre Disappearances in UFO History* is a thriller for new readers and for his avid followers.

Suspicious deaths and “accidents” are part of UFO lore and documented events, from coincidental heart attacks to out-of-the-blue suicides that bear the hallmarks of murder. Grisly fatalities at the hands of both extraterrestrials and government agents are not uncommon. When an investigator or just a curious person gets too close to evidence about alien abductions, Roswell, and other conspiracies, a life may be in jeopardy.

A “whodunit” of a page-turner packed with goose-bump-causing mysteries, shockingly graphic scenes and new revelations, *Close Encounters of the Fatal Kind* includes:

- The UFO-related death of the first U.S. Secretary of Defense, James Forrestal
- Disappearances of military pilots and their connection to UFOs
- Connections between national security and the sudden deaths of UFO investigators
- The strange saga of the incredible melting man
- The recent admission of the existence of Area 51

Backed by Redfern’s meticulous research, interviews and long history of delving into UFO history and government cover-ups, *Close Encounters of the Fatal Kind* is guaranteed to create pandemonium in the media with his controversial theories about conspiracies and the paranormal.
