## The World's Most Haunted House

By William J. Hall

---

*The World's Most Haunted House* is a thrilling and authentic account of one of the most terrifying and well-documented poltergeist hauntings of modern times. I found this book to be fascinating and comprehensive. It should be required reading for anyone with a serious interest in these bizarre paranormal disturbances - but read it with the lights on!

*Dr. Andrew Nichols, Director, American Institute of Parapsychology*

Bill, you are the only person that has the entire story of what happened on Lindley Street. Through your investigation and interviews, you know far more than even I do.

*Boyce Batey, former Executive Director of The Academy for Spiritual and Consciousness Studies, Inc. and lead investigator in the 1974 Lindley Street investigation*

\*\*\*

This is a page-turning, compelling account of real-life horror -- a rare and extreme poltergeist case that shattered a family and intrigued both religious and scientific investigators. William J. Hall's careful documentation makes a substantial contribution to the field.

*Rosemary Ellen Guiley, paranormal investigator and author of The Encyclopedia of Ghosts and Spirits*

As an eyewitness to the Lindley Street case, I have been very impressed by the author's painstaking research and his determination to hunt down that facts of this case. Bill Hall is one of the few to get it right!

*-Paul F. Eno, award-winning journalist and co-host of CBS Radio's "Behind the Paranormal with Paul & Ben Eno"*

*The World's Most Haunted House* grabbed me from the beginning...It is a page turner. This work is a contribution to the non-fiction paranormal genre and one that needs to be read.
