

# INTERVIEW QUESTIONS

## ***The World's Most Haunted House***

By William J. Hall

1. There are so many stories of hauntings and the paranormal. Why were you so interested in telling this story?
2. After so many years, why investigate Lindley Street now?
3. What happened in that strange November back in 1974?
4. What were a few of the most disturbing incidents?
5. The police were mandated to participate in a scientific investigation after it was publicly proclaimed a hoax. Can you tell us how that came about?
6. Your background in this area is as a magician. And like Houdini, you investigated and wrote about the unknown. How did you become convinced this was a real case?
7. The superintendent of police at the time said the little 10 year old girl Marcia faked it all. What are your thoughts on that?
8. What is a poltergeist anyway?
9. Does the home still exist and is it haunted today?
10. So a crowd of thousands of people gathered outside the house. What was the crowd situation like?
11. Did the tapes capture any of the phenomena?
12. Will folks be able to hear parts of these never before released interviews?
13. Was this the only house on Lindley Street that was affected by strange happenings?
14. How have you been impacted by telling this story?
