Strange Electromagnetic Dimensions

By Louis Proud

1. Do you believe there's good evidence for a magnetic "sixth sense" in human beings?
2. Is there any evidence that geomagnetic disturbances can cause depression and other health problems in humans?
3. What evidence is there that artificial electromagnetic fields, such as those emitted by power lines, are having a negative impact on our health and well-being?
4. What is the connection between lightning strike/electric shock and the development of psychic abilities?
5. What is electromagnetic hypersensitivity (EHS)?
6. What is high voltage syndrome (HVS)?
7. What is streetlamp interference (SLI)?
8. Parapsychologists have tried to explain psychokinesis (PK) and other psychic abilities in terms of electromagnetism? Have they been successful?
9. Is electromagnetic energy the same as chi, orgone, and other "subtle energies"?
10. You say that ball lightning, earth lights, earthquake lights and other luminous phenomena produced by the earth are important components of the UFO mystery. Please explain.
