THE WONDERS OF THE UNKNOWN WORLD BEYOND: Multidimensional Reality

San Francisco, CA (January 1, 2015) — Featuring the breathtaking accounts of the out-of-body travels of a young woman, including startling photographs, *The Multidimensional Traveler: Finding Togetherness, or How I Learned to Break the Rules of Physics and Sojourn Across Dimensions and Time* is an introduction to worlds beyond physical limitations.

The author, Khartika Goe, wrote about her extraordinary adventures and the wisdom that she gained while relaying her personal knowledge of multidimensional realities to her beloved grandfather before his passing.

For readers, *The Multidimensional Traveler* is a rewarding process of spiritual learning, with each chapter building on the previous one with increasingly advanced information about multidimensional travel. As they move through the chapters, readers will be on a spiritual quest to acquire the tools and the deep understanding to achieve multidimensional experiences for themselves. The book offers the exciting freedom to:

- *Discover multidimensional abilities and use them to their greatest potential*
- *Connect with the force of togetherness to attain true knowledge of the universe*
- *Embark on amazing multidimensional ventures, with the assistance of end-of-chapter instructional guides.*
- *Learn of the true history of planet Earth*

While guiding readers to discover their spiritual and subtle energy awareness, and expand extra-sensory abilities, Goe describes riveting examples of her adventures through time and space. A portal to limitless possibilities, *The Multidimensional Traveler* lights the path to what lies beyond our physical bodies.

The author has captured dimensional beings and planes of existence on film, which has been used by prominent esoteric authors and researchers. Currently, Goe is exploring how different brain frequencies serve as gateways to other dimensions.

About the Author: A graduate of UCLA and Columbia University, **Khartika Goe** has evolved from a rigorous academic background into writing about the unknown and the mysteries of the universe. Her groundbreaking recent article, "Adventures in Alternative Realities," was published in 16 languages in more 30 countries by Nexus magazine.

Goe is an independent psychologist specifically devoted to assisting children and the elderly.
