

OPEN YOUR THIRD EYE FOR SUPER-SENSORY PERCEPTION:

Gain Knowledge of Alternate Dimensions and Spiritual Realities

San Francisco, CA (March 1, 2015) — We perceive our world by using our five senses: sight, taste, smell, touch, and hearing. And yet, there is a sixth sense, an inner eye that is a gateway to other realms. In her new book, *Awaken Your Third Eye: How Accessing Your Sixth Sense Can Help You Find Knowledge, Illumination, and Intuition*, Dr. Susan Shumsky reveals how developing the third eye can result in undreamed-of, super-sensory perception and profound wisdom.

She is the founder of Divine Revelation®—a unique, field-proven technology for contacting the divine presence, and hearing and testing the inner voice.

- Develop super-sensory perception by traditional and nontraditional methods, both ancient and modern
- Use the third eye to enhance everyday life
