## Larry Flaxman

Best selling author and researcher, Larry Flaxman, is on a mission to inform, empower, and entertain those fascinated by the paranormal. Best-selling author of seven books including “11:11 – The Time Prompt Phenomenon: The Meaning Behind Mysterious Signs, Sequences and Synchronicities,” “The Déjà vu Enigma: A Journey Through the Anomalies of Mind, Memory, and Time,” “The Grid: Exploring the Hidden Infrastructure of Reality,” and “Viral Mythology: How the Truth of the Ancients was Encoded and Passed Down through Legend, Art, and Architecture,” Flaxman continues to write ground-breaking books on cutting-

edge research that leave readers, researchers, and reviewers open-mouthed in disbelief of the truth as it’s presented to them.

For nearly two decades, Flaxman has been actively involved in paranormal research and hands-on field investigation. He is the President and Senior Researcher of the Arkansas Paranormal and Anomalous Studies Team (ARPAST), which, under his leadership, has become one of the nations most respected paranormal research organizations.

Widely respected for his advances in the field, Flaxman has appeared on the Discovery Channel’s “Ghost Lab” as well as the History Channel’s popular show “Ancient Aliens”, and has provided expertise for dozens of publications including “The Times Herald News,” and the “Villager Online.”

Flaxman has also been appeared on hundreds of radio shows worldwide include Coast to Coast AM, The Shirley MacLaine Show, The Jeff Rense Show, X-Zone Radio, TAPS Family Radio, and Paranormal Podcast.

Larry is a popular public speaker, lecturing at paranormal and metaphysical conferences and events all over the country, including major repeat appearances at “DragonCon”, “Through the Veil,” “History, Haunts and Legends,” “ESP Weekend at the Crescent Hotel,” “The

Texas GhostShow,” “The Paradigm Symposium,” “Memphis ComicCon,” and “The Parallel Universes and Consciousness Conference.”

He also speaks widely at local and regional meet-ups, bookstore signings, libraries and events on the subjects of science, the paranormal, metaphysics, Noetics and human potential.

Flaxman is a staff writer for Intrepid Magazine with work appearing regularly in TAPS ParaMagazine, Fate Magazine, New Dawn Magazine, and Phenomena Magazine.

Flaxman is also a screenwriter with a paranormal horror thriller, 19 Hz, currently in development with Bruce Lucas Films, as well as a paranormal-related television series for the young adult genre.
