

# INTERVIEW QUESTIONS

## Mind Wars

By Marie D. Jones and Larry Flaxman

### FOR MARIE

1. Why did you both title the book “Mind Wars?” Who and what are we at war with over our minds?
2. Is mind control just a big conspiracy?
3. Did our ancient ancestors use any forms of mind control?
4. How has our own government been involved in mind control experimentation over time?
5. Are we still being controlled today, and in what ways?
6. What is the role the media plays in mind control and social programming?
7. What are targeted individuals and what do they claim is happening to them?
8. Can you explain some of the technologies like V2K that are being used to harass and harm people?
9. How much are we exposed to different forms of surveillance and invasion of privacy?
10. What are ways we can protect ourselves from invasions of our privacy?
