1. Do you consider the stories and communication method in *The Afterlife Healing Circle* as evidence of an afterlife?
2. How did you become interested in contacting the dead?
3. What is the other side? What is it like?
4. Is there proof that contacting the dead is for real?
5. Why is it important for people to experience contacting the other side for themselves?
6. What is grassroots spirituality?
7. Is the soul real? If so, how do you define the soul?
8. Why would anyone want to contact the dead? Isn't that something only a medium or psychic can do?
9. Is contacting a child before birth possible? If it is, why would anyone want to do it?
10. Does the afterlife healing circle address other issues beyond resolving grief or conscious parenting?
11. What are the rules of physics that consciousness exists regardless of the body?
