

BARBARA MARX HUBBARD

PRAISE FOR PREVIOUS TITLES

“**Barbara Marx Hubbard** has long been the midwife of souls and an *evocateur* of social transformation. Now, in a work of breathtaking beauty and courage, she becomes transparent to transcendence, awakening to the patterns for the next millennia. In *The Revelation*, she gifts us with conscious scripture, mind at its edges, the new journey of the soul. This is not ephemeral stuff; it is feisty, and rich, rendering us Christic and birthing us into our new roles as godseeds, co-creators, partners of evolution. If taken seriously, it marks a change of staggering proportions, a turning point of our humanity, a denouement of the planetary passion play.”

– **JEAN HOUSTON**, Ph.D. author, *Life Force: The Psycho-Historic Recovery of the Self*

“You are carrying forward the ecstatic philosophy of Teilhard de Chardin, emphasizing the uniqueness and unity of mankind, with our intellectual as well as physical links to the universe. You provide an answer to the question. ‘What is man, that thou art mindful of him?’”

– DR. THOMAS O. PAINE, former Administrator, NASA Apollo program

“Your spiritual vision, substantiated by your writing and speaking, and culminating in *The Revelation*, is a powerful religious impulse to impel our conscious evolution as a species. The book provides an opening for revisioning the New Testament, the seed document of our western culture.”

– SIDNEY LANIER, Episcopal priest and founder of the American Place Theatre, N.Y.C., and A New American Place, San Francisco

“Your book, as it stands, is a prologue to the growth and unfoldment of the New Order of Christian Worship proclaiming the new birth of Christ in the human heart. Your pertinent words in the book will surely help aspiring mankind to stand in spiritual being ...”
