

INTERVIEW QUESTIONS

FOR EDITOR WILLIAM VON HOLST ON:

The Journey Within

By Imre Vallyon

1. Imre Vallyon teaches from an Inner State of Illumination. Please explain what this means and how it is different than the way we understand the world through our minds?
2. Imre says that Right Knowledge is the Saving Knowledge, the Knowledge that leads to Eternal Consciousness, an infinite possibility of knowing, an infinite possibility of experiencing, an infinite possibility of becoming. Please explain the difference between our thinking facilities and consciousness? What does he mean by Right Knowledge is the Saving Knowledge? Page 4
3. Please explain the Original Spiritual Path and how three thousand years ago mankind misunderstood the True Spiritual Path? Pages 10-11
4. Imre constantly emphasizes that everything Spiritual is already within you. He says that we each have a central point based in the Heart Chakra that is always in an Eternal State of Being. Please explain. Page 12
5. Please explain how our egos are related to crisis and how this transformation through crisis is good? Page 21
6. Please explain the difference between the Passive and Active Paths and the need for both in connecting to the Living Soul? Pages 32-35
7. Imre says, "Your physical body vibrates very slowly, your emotional body vibrates faster, and the mind body vibrates faster still. And yet the Soul has very rapid and fine vibration and you cannot perceive it unless you cultivate that vibration." Please explain. Page 44
8. He says to perceive yourself as a Living Soul, you have to go beyond physical, emotional and mental processes. Please explain what techniques go beyond these three qualities of the Personality? Page 44
9. What is Superhuman evolution? Page 53

10. How are we more suited today for this great leap forward in Human Evolution than in the past? Page 53
11. Imre says, "At the moment you see one percent of Reality, when you become Soul-Conscious, you will begin to see ten percent of Reality and when you are God-Consciousness, you will see one hundred percent of Reality". Please explain. Pages 55 and 56
12. Imre explains that from Higher Consciousness you realize a great secret: that you are not going from point A to point B, but everything you need is already inside you. Please explain. Page 61
13. Why are we not experiencing what we already are? Page 64
14. What are the obstructions to Enlightenment? Page 67
15. When you use a mantra (a sound sequence or Word of Power used in inward meditation to suspend the mental processes and connect to higher levels of Consciousness) you focus your attention deeper inside yourself to give you a moment of Enlightenment or a vision or experience of the higher part of yourself. That is Enlightenment. Please explain. Page 69
16. The True Spiritual Path towards Enlightenment is not just for oneself, but for everyone. Please explain. Page 73
17. We need to understand Death and Reincarnation to understand who we are and what we are doing here on earth. Please explain. Pages 77-79
18. What happens when you die? Page 86
19. There is a Second Death. Please explain. Page 90
20. And there is a Third Death. Please explain. Page 91
21. At the moment of Death, there are two most important questions. What are these two fundamental qualities of life? Pages 95-97
22. What is the fundamental nature of our Sun? Pages 100-110
23. What are the three types of Karma? Pages 117-122
24. Please explain Shadowland. Pages 133-138
25. What is Thought-Power? Pages 144-153
26. What is the Great Feminine and what is her primary concern? Page 164
27. Imre says once you have contact with the Divine Feminine, your destiny line becomes clear. Please explain. Pages 169-172
28. Why is the State of Silence so important? Pages 197-206
29. This is one of Imre's meditations:
"The Handiworks of God spin through the orbits of Space,
And my birth and death is but an interlude in my Heavenly Existence."
Please explain. Page 231
