

ABOUT THE AUTHORS

Richard Estep

Richard Estep is a paramedic and training chief, who also serves as a volunteer firefighter in his adopted state of Colorado. He is director of the Boulder County Paranormal Research Society (BCPRS) and has spent the past twenty years investigating claims of paranormal activity on both sides of the Atlantic. Richard is the author of several books in the paranormal field, the most recent being *The World's Most Haunted Hospitals*. He has appeared in the TV show *Paranormal Investigator*.

Cami Andersen

Cami Andersen is owner of The Old Tooele Valley Hospital, Asylum 49, along with her husband Kimm, niece Dusty Kingston, and sister-in-law Sonja Andersen. She has been investigating claims of paranormal activity in homes and business across Utah and the surrounding states for over a decade, all the while, continuing research into the mysteries of the spirits at The Old Tooele Valley Hospital. Cami leads a busy life with Kimm raising their children, mentoring the children of Tooele, over-seeing scholarship programs held at the Asylum 49 Community Center, and working with her patients at the dental practice where she works part-time. Cami enjoys the guilty pleasures of horror movies, fantasy books, antique shopping, traveling with her family, and the occasional Comic-Con to satisfy her love of all things nerdy.
