

## Praise for:

# Raindrops of Love For a Thirsty World

By LIFE, as shared with Eileen Workman

“Global warming not only permeates the physical world we inhabit, we are also experiencing an inner drought that is manifest in the present madness of our collective consciousness. *Raindrops of Love* offers a much needed balm to soothe our parched souls, both individually and collectively.”

—MATTHEW J. PALLAMARY, author of *Land Without Evil* and *Spirit Matters*

---

“Each chapter like a temple built from the gentle hammer of a heartbeat, Eileen Workman manages to infuse the essence of love into every care-filled word. With joyful tears running down my face, I say with certainty, ‘*Raindrops Of Love For A Thirsty World*’ has been the most essential read of my lifetime.”

—CISCANDRA NOSTALGHIA, singer/songwriter

---

“Eileen Workman’s book *Raindrops Of Love For A Thirsty World* is timely, thought provoking, heart opening and Spirit inspired. As I read the words, I felt the words, the deeper meaning, purpose and energy in them as they were communicated through Eileen. The chapter layout and messages are profound and easy to read and integrate. I will read this over and over. Thank you!”

—PATRICIA VARLEY, M.H.S.A. International Speaker Certified Edgewalker Coach & Facilitator  
Workshop & Retreat Leader

---

In the new book, *Raindrops of Love*, “Life” speaks through author Eileen Workman, bringing a message of hope, promise, and fulfillment for spiritual seekers everywhere. As humanity undergoes a momentous transformation of consciousness, we have much to gain from the broader perspective and wisdom that is shared in this book.

—CAROLYN P. ANDERSON, co-founder of Global Family and Hummingbird Community; Co-author of *The Co-Creator’s Handbook 2.0*.
