The Trinity Secret: The Power of Three and the Code of Creation

Written by Marie D. Jones and Larry Flaxman

- What inspired you to write a book about the trinity and the power of the number three?
- Our common understanding of the Trinity comes from Christianity. Is the trinity concept found in other religions and belief systems?
- How is the triune nature of creation described in creation stories and origin myths all over the world?
- Does science have anything to say about a triune nature of reality?
- Why is the number three considered so sacred and profound?
- The number three shows up a lot in folklore, fairytales and myth. Why is that, and what might it mean?
- Does consciousness work in a triune fashion, and how does that correlate with a code of creation?
- What can you tell us about the code of creation in relation to the trinity and the number three?
- Is this triune code of creation a modern concept or is there evidence of it in ancient wisdom teachings?

- ▶ What is the concept behind an “activating agent” and how does that fit into the code of creation?
- ▶ If universal creation seems to follow this code, how do we humans also use this code to co-create our reality?
- ▶ How does the trinity secret tie into the popular Law of Attraction teachings?
- ▶ Is the trinity secret something we can all use to make our lives better and more fulfilling?
- ▶ How can we learn to use the secret? Is it difficult and can anyone do it?
- ▶ What are the two of you working on next?
