

INTERVIEW QUESTIONS

Financial Sorcery by Jason Miller

- What is the difference between Financial Sorcery and Money Drawing Magic?
- Why do you call emergency magic bad magic?
- You mention that you feel it is more important to work on increasing money coming in than it is to decrease spending. Why?
- If magic works, why aren't pagans and magicians all rich?
- You seem to be against lottery magic, why is that?
- So much of the information in your book is not centered on magic. What is the interplay between magical and non magical action.
- What is Inominandum's Two Week Challenge?
- Why is Meditation important in Financial Sorcery?
- What is the best magic for finding a job in this economy?
- What is the Set Point and why do we need to use it?
