***About the editors:***

**Michael Pye** has been an acquisitions editor at New Page Books for nearly a decade, acquiring hundreds of books. He developed an appetite for the unexplained by watching too many episodes of “In Search Of”, hosted by Leonard Nimoy, instead of doing his homework, which turned him into a fan of the strange and unexplained. He earned a BA in English from Southern Connecticut State University.

**Kirsten Dalley** has functioned in various editorial capacities at New Page Books since 2004. She is co-author of *The Nightmare Encyclopedia*, along with Jeff Belanger. She graduated from Columbia University with a BA in comparative literature.
