

INTERVIEW QUESTIONS

Monster Files

By Nick Redfern

1. What is the general theme of *Monster Files*?
2. Why did you write the book?
3. What is the story concerning U.S. President Theodore Roosevelt and Bigfoot?
4. Why does the British Royal Navy have a file on sightings of sea serpents?
5. What is the truth about the Soviet Union's attempts to cross-breed apes and people?
6. Can you tell us about the conspiracy of the World War Two Werewolf?
7. Why did the U.S. military spread fictitious stories about monsters on the loose in the Philippines in the 1950s?
8. Was the famous Flatwoods Monster of 1952 a secret creation of the American intelligence community?
9. Does the U.S. Government have the body of one or more Bigfoot on ice?
10. What was the Minnesota Iceman and why did the FBI have an interest in it?
11. Will you tell us about the CIA's Frankenstein-like project to create a creature that was half-cat and half-machine?
12. Will you explain the interest the U.S. Air Force had in Bigfoot during the 1970s?
13. Why has the CIA taken so much note of the Abominable Snowman?

14. What is the conspiratorial connection between the late Diana, Princess of Wales, and reports of large and savage big cats roaming the British countryside?
15. Has the U.S. Navy been secretly monitoring reports of gigantic sea-monsters lurking in the depths of the world's oceans?
16. Will you highlight for us the Australian Government's files on unknown animals?
17. Did the U.S. Army retrieve a number of Bigfoot bodies following the disastrous explosion of Mt. St Helens, Washington State in 1980?
18. Is it true that the British Government has files on the Loch Ness Monster?
19. What is the link between werewolves and the military?
20. What do you hope publication of *Monster Files* will achieve?
